Lesson Agreement

The following lesson etiquette has been placed to cultivate the best learning and teaching environment for the Student and Teacher:

1. Lesson Bookings to be completed and sent through at the latest the day before the first lesson.
2. Lesson Payments are to be made upfront, prior to the first lesson.
3. Lesson cancellations will need to be made **at least 24 hours prior** to the lesson time to receive a make up/credit lesson. This is because your lesson time is reserved for you and only you. Late lesson cancellations make it impossible to fill the empty timeslot with another student and cause much disruption to not only the Teacher's but also to your fellow Student/Parent's schedule.
4. **After your 2nd lesson**, payment for the rest of term will need to be made **the day before the 3rd lesson** to confirm your timeslot.
5. Students must bring instruments and their lesson items to every lesson.
6. Students are expected to complete **regular daily practice** on their instrument.
7. Please arrive at lessons on time. Late arrival of lessons has to be resorted to truncated lessons due to the tight lesson schedules.

I understand and agree to the Lesson Agreement stated above.
